LOT TO LOOK BACK ON...

Mary Ording quenches her hunger with a big juicy red apple during her noon break.

Mr. Shivley takes time out of anatomy class to mess around with the four idiots in the class: Doug Cahill, Ken Post, Tim Brophy, and Dave Kanney.

Loosening their ties while relaxing during a class break are Mr. Robert Thompson and Mr. Ken Lachey.

If Mary Muhlenkamp looks depressed, it could be because she just took a tough English test; and she's a little worried about her grades.

Putting the paper in the typewriter is the hardest part of typing for Dan Wehrkamp.

... AT S.H.H.S.

Senior Ann Hemmelgarn doesn't seem to be exactly thrilled about getting her picture taken. Smile Ann!

There are many exciting times at S.H.H.S. that you will always remember. As you look back on your school days, you will think of all the thrilling sports events, the long-awaited dances, the many different gangs, the boring days you thought would never end, and the days that seemed to be flowing with crazy excitement for no special reasons.

"What can I Say?" asks Frank Koesters as Bill Gelhaus takes time out from his work to rub his nose.

Could librarian Mr. Miller be smiling because he is in the midst of his favorite surroundings--books?!

With a charming gym teacher like Miss Dudgeon to look at, the boys may not even care who wins their games.

Ginny Puthoff, Pat Bernard, and Amy Puthoff are in deep concentration while checking out their 1977 Pow Wow.

What could it be that makes Lorraine Hoying smile from ear to ear like this?

Ken Post shows off his hall pass while walking down the senior hallway.

When asked where her boyfriend is, Therese Evers points to her right. But Therese, there's no one there!

SENIORS...

May Litmer looks up after taking a bite of her two all-beef patties, special sauce, lettuce, cheese, pickles, onions on a sesame seed bun.

There's no need to duck Mary Kay; the camera won't hit you. Just sit relaxed and look bored like Doug, Larry, Tom, Greg, and Randy.

"78"

Go ahead and lick your finger Cindy. Your eighteen now and you don't have to listen to anybody!

Can't you girls ever behave--now get those chairs off the bed. Don't you know beds are used to sleep on--not to destroy!

Being a senior is something that everybody seems to look forward to. Is this what it's all about?

Ann Hemmelgarn and Sandy Stammen look puzzled as they try to figure out what went wrong this time.

Lucy Post relaxes with a smile after a long, hard days work?

JUNIOR JIVE...

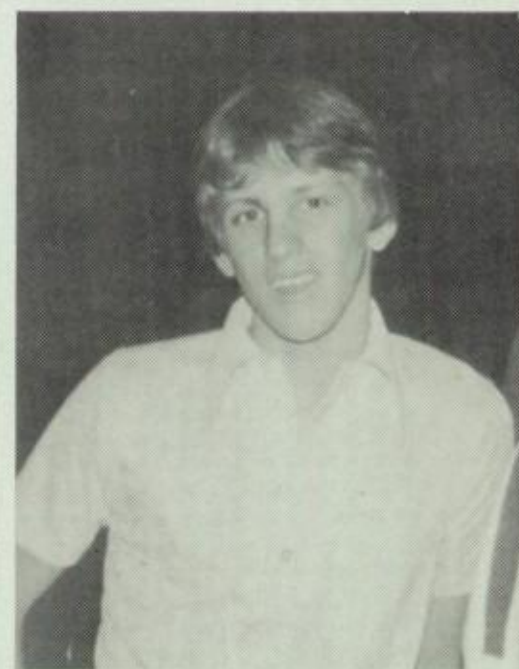

Gary Brackman is busy holding up the walls.

Kenny Schmitz and Jeff Bergman hunt for books in the library.

After she finishes eating, Ginny Hemmelgarn studies and talks during her noon hour.

Doesn't Shorty Siefring smile nice??

TOP MEN

A smiling face is not always easy to maintain when settling high school problems, but principal Mr. Brophy does a good job of covering it up.

Handling small children all day takes more patience than most of us can take; but so far Mr. Brackman, elementary principal, hasn't grown a gray hair.

It isn't always a pleasant job paddling small children for punishment, or handing out detention to the older children for their punishment, but someone must do it. Our principals and our superintendent must keep all situations in their building under control, and at the same time try to keep up good relations with students, parents, and teachers.

Mr. Dippold keeps busy doing his daily duties of administrating at the Jr. High building.

One of Mr. Huelsman's many jobs is to get out of his warm bed at 5:30 every morning, walk outside in all types of weather and check the weather condition. Then as superintendent, he must make a responsible decision about possible weather closings.

You asked for the name of a freindly, young, handsome principal? Your answer is Mr. Yocum who's in charge of our Burkettsville facilities.

WHERE THE

Typing, Filing, or Bookkeeping Today?

Many odd jobs go into the work of our school secretaries. Who else can we run to when we forget to buy a lunch ticket, need our absence slip signed, or when we just need to know where something is? Of course we always appreciate all the things these ladies do for us but very seldom do we remember the small words "thank-you." We just assume that our loyal secretaries will always be there and will continue to do their job well. And they do!

Mrs. Donna Woeste, the elementary secretary, is always kept busy with everyday secretarial work and many other odds and ends.

Would you be able to count money and talk on the phone at the same time? Supersecretary Mrs. Lucille Bertke almost has to, to keep up with all of her work at the high school.

Travelling secretary Mrs. Froning (right) is shown beside Guidance Counselor Kathy Kuhn whom she does typing for. She also does some secretarial work at the Jr. High Building.

Signing out books for some children is Mrs. Elking, assistant librarian, who works in the Elementary School.

Mrs. Feltz is one of the most appreciated secretaries in the school. Why? Teachers couldn't be paid without her! She does much of the paperwork needed to keep our school going.

Mrs. Rammel is the teachers aid at the Burkettsville Building for the teachers of fifth and sixth grade children.

REAL WORK IS

Mrs. Vic Moeder takes time to pose for the camera before she wipes away the dirt from the Jr. High Building.

Elementary janitor Mrs. Feltz does anything from sweeping to getting gum off of the bottom of chairs to help keep her building clean

No, its not a farmer with his pitchfork. Its High School janitor Mr. Ralph Rose with his broom. Mrs. Freda Rose helps her husband clean, and together they keep our hallways shining.

CLEANERS

COOKERS

CHAUFFEURS

What do you do when three hundred people show up for lunch and you only expected two hundred and fifty? Or when a small child decides he didn't like his breakfast and so he throws it up all over your bus? And then again what if two people come to you at the same time: one saying the heater in their room broke down and it's forty five degrees and the other complaining that their heater won't shut off and its ninty five degrees in their room? Well, only our cooks, bus drivers, and janitors know for sure!

If Mr. Vick Moeder ever makes out a resume, he may put plumber and electrician as previous jobs because these jobs are all a part of janitorial work.

Much appreciation is due, too, Mr. and Mrs. Rammel, Burkettsville janitors.

BURKETTSVILLE COOKS: Mrs. Schwieterman, Mrs. Bueter, Mrs. Spangler, Mrs. Rammel.

BUS DRIVERS: Mr. Ransbottom, Mr. Froelich, Mr. Jutte, Mr. Hart, Mr. Tremper, Mr. Buschur, Mr. Howell, Mr. Siefring, Mr. Miller, Mrs. Schulze, Mr. Lachey, Mr. Delzeith.

ELEMENTARY COOKS: Mrs. Huelsman, Mrs. Westgerdes, Mrs. Ahlers, Mrs. Gerlach, Mrs. Alt, Mrs. Gottes, Mrs. Rose, Mrs. Hartings, Mrs. Nieport, Mrs. Dippold.

Paul Broering, Ray Puthoff, Vice-President Fred Rose, Ed Werling, President Bill Gels.

ASSISTANT PRINCIPAL

This mans' signature is very important, and all the students seem to want it--early in the morning. Why? Because Mr. Shivley is our first assistant principal and one of his many responsibilities is taking attendance.

BOARD OF EDUCATION

TEACHERS...

... ON THE JOB

Laura Link is taking notes as Mrs. Stammen helps her with her sewing project.

The smile on Mr. Broering's face is the result of a nice, quiet study hall.

Mr. Larry Thompson is busy answering Diane Lange's question.

Mrs. Thompson is diligently grading papers so she will be ready for her next class.

ENCHANTED

The Homecoming weekend was filled with many exciting highlights. The parade, pregame ceremonies, and the football game all happening the night before the "Big Dance."

On October first the annual Homecoming dance was held in the high school gym where everyone just goes "crazy!" The music was provided by the New Horizons. Thanks to the great efforts of the Student Council, the Homecoming weekend was a tremendous success.

Linda Kleinhenz, 1976 Queen, is one of the lovely girls who rode in the parade.

The sophomore class won first place for the best decorated float.

The freshmen show great pride for the first year to enter a float in the Homecoming parade.

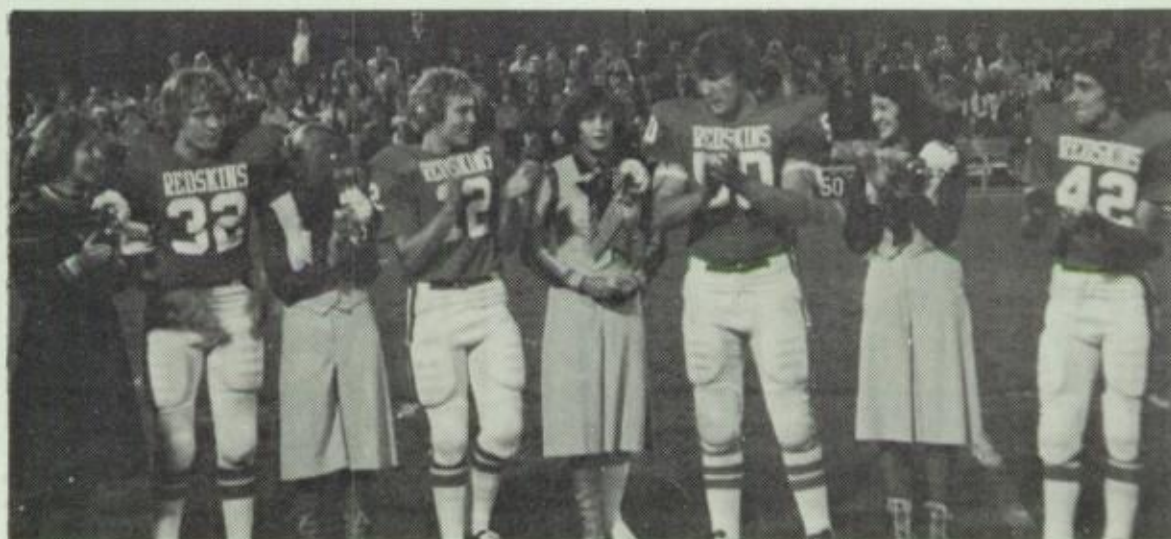

Taking second place in the best decorated float was the Spanish Club.

VOYAGE

The master of ceremonies for the big night was Cheryl Brackman.

Sandy's shock is betrayed as her name is announced as the 1977 Homecoming Queen.

The "ladies" and their "gents" pose for all the cameras.

Sam; are you always this shy around handsome football players?!

The Homecoming "broad's" taking it easy after a hectic walk down the field.

Judy, daughter of Mr. and Mrs. Sylvester Bruggeman.

Sandy, daughter of Mr. and Mrs. Cy Schwieterman.

Deb, daughter of Mr. and Mrs. Bernard Hartings

Deb, daughter of Mr. and Mrs. Cyril Siefring.

Kathy, daughter of Mr. and Mrs. Lester Bruns.

Jeanette, daughter of Mr. and Mrs. Gerald Bruns.

Many months before Homecoming, the students prepared for the event, which will leave many lasting memories in years to come. The excitement of the football game carries on into the Homecoming dance and activities. All the work and fun is soon to be ended but never to be forgotten. As we look back on the weekend, all we have left is a wilted corsage, remains of the decorations, and pictures to help us relive the enchanted voyages of our good times at S.H.H.S.

As the Homecoming dance begins, everyone drifts into the "enchanted" feeling.

Marcia Rinderle has eyes only for Jeffery!

Elvis lives on through Laura Link.

Sam shows off her beautiful legs! Of course, Gary Barlage has to be there too.

What could be so interesting to keep Terry Jones and June Hierholzer posing so long?

As the Homecoming Voyage ends, and the goodbyes are said, the "Voyage" of parties just begins.

The Juniors did a fantastic job with the decorations at the 1978 Prom.

The one sure place to see Joe Hemmelgarn at is . . . the bar.

Sandy, Doug, MiMi, and Jim are smiling like they were doing something they weren't suppose to be doing.

Pat Bernard finally got the chance in her lifetime... to kiss Tim Niekamp.

What is more important Fred, eating or listening to Ken and Lucy.

The Rinderle girls provided the crowd with entertainment during their dinner.

The odds are a little ridiculous here girls.... for just one guy, two girls, and Laura Link.

Doug Wehrkamp doesn't seem to be having as much fun as Jim is.

Jeanette and Tom sure look innocent but...

Couldn't you just about imagine what Ken and Paula are smiling about?

Wouldn't Mike Post like to know what Jo Brunswick is praying about?

The "Interstate Unlimited" provided the entertainment for the evening.

Reading during the Baccalaureate mass is Cheryl Brackman.

These seniors are waiting for the right time to bring up the offertory. In the background stands Mrs. Whitsett, senior religion teacher who helped the seniors plan with the planning of the mass.

Judy Bruggeman, Fred Boeke, Dan Bruns, and Sharon Broeker lead the procession out of church.

Everyone waited patiently for time to pass the Commencement.

"Stick With

Doug Cahill and Tim Brophy seemed to have had gained a little weight since the last day of school.

Well, we made it this far--now let's get on with it. Donna move faster!

Of course I'm smiling, we're finally going to graduate!

Siby and Jo are trying to get the rolls done before Home Ec class is (finally) over.

For her History project she made an Indian Rug.

Siby was involved in almost all the sports offered in school which she really enjoyed and where she made a lot of friends.

Here it looks like she has to get used to the crazy atmosphere at Prom, a dance which they don't have in Germany.

This year we had an exchange student from Muchlacker, Germany, in St. Henry High School. Sibylle Hagenbuch (or Siby- as everybody called her) had to get used to a lot of things that were different for her. But it looks like she had a pretty good time in St. Henry.

S I B Y

...and in Home Economics, her last effort to finish her sewing project.

WHAT WE DO

Baking in Home Ec takes some skill. Brenda Clune, Judy Bernard, and Sharon Hemmelgarn work on making their baked goods look perfect.

Red Kanney and Nimmer Niekamp have a man to man talk on the stairway.

Marie Post looks like a movie star model as she poses for the cameraman.

Lee Post studies in the hallway with his friend.

Everyone has a great time at a dress up dance.

Chris Cramer and Brenda Nieport stalk the hallways during their studyhall.

GOOFING OFF

Deb Hartings doesn't particularly like the idea of getting her picture taken as she comes out of a restroom.

Linda Nietfeld keeps busy as she works hard on her studies in ninth period study hall.

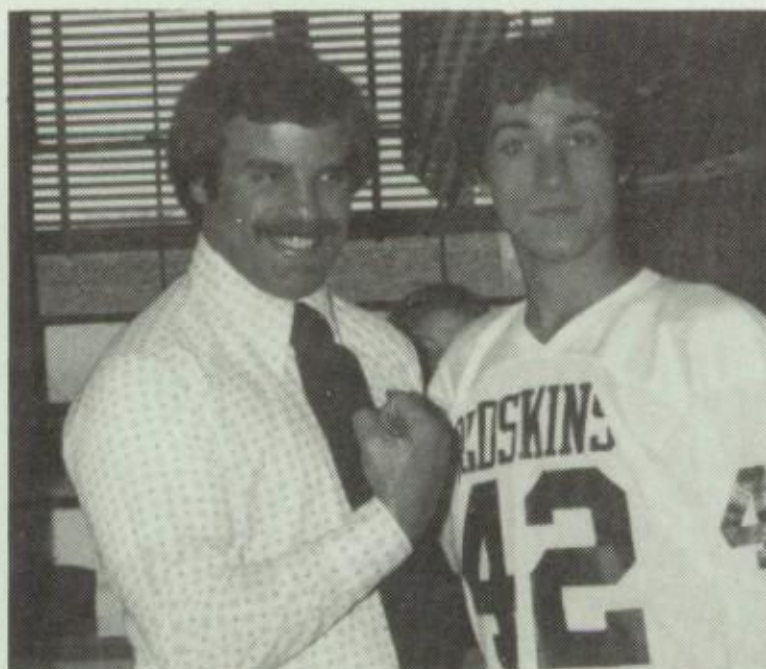

Getting up after a good night's rest can be pretty hard as Sandy Stammen finds out.

Analytics class isn't just hard work for Greg Puthoff and Jeff Bruns.

Doesn't Mark Miller look like a playboy as he swings his clubs during a golf game?

Outside the classroom, Mr. Howe and Jim Post are great "pals".

Tony Frilling and Angie Schwieterman "get close" at the Legion Hall.

UPPERCLASSMEN

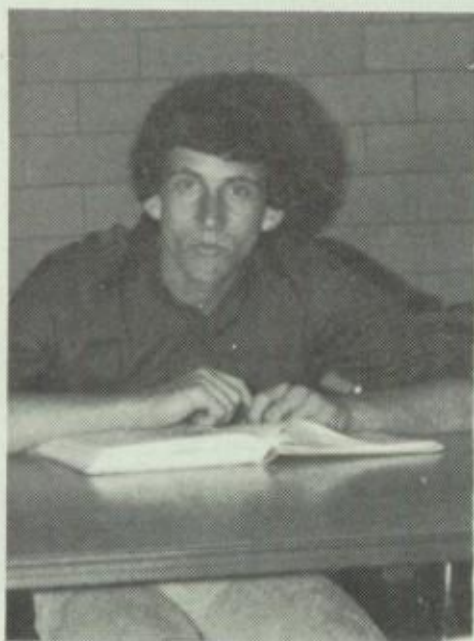

Posing for a camera is the noon lunch hour gang including Jody Hierholzer, Elaine Schwieterman, Diane Sieftring, Cheryl Brackman, and Therese Evers.

Peg Dorsten is busy trying to cheer up a group of elementary children. Nice tongue Peg.

Weddings provide great entertainment for Becky Huelsman.

Studying anatomy is confused senior Doug Cahill.

Sue Fiely and May Litmer smile while "hanging around".

Cousins Donna and Lorraine Hoying get *CRAZY* after the prom.

Linda Nietfeld is pictured with her art project that made her a state winner in the Governors Ohio Youth Art Exhibition.

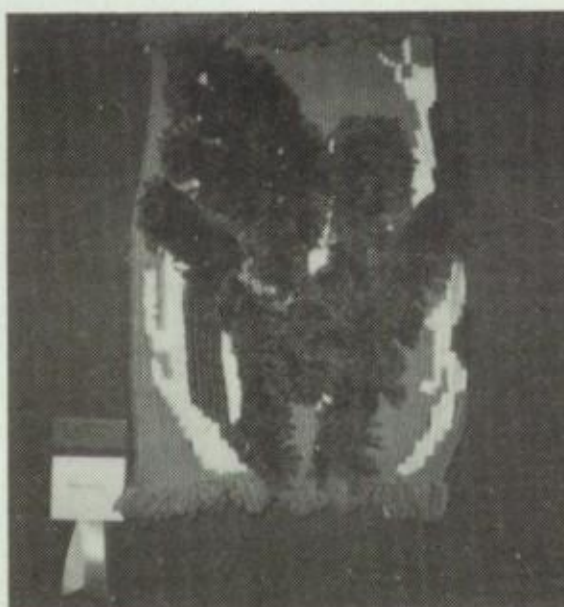

Regional Winners at the Governors Art Exhibition - Linda Nietfeld, Ginny Hemmelgarn, and Kris Huelsman.

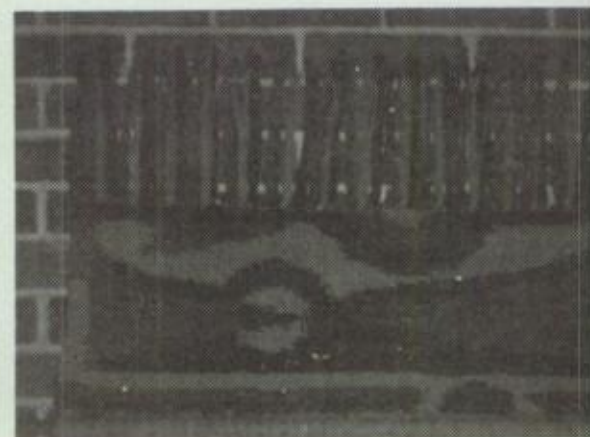

ART SHOWS

First place winners at the College community Arts Festival - Andy Tobin for photography, and Kris Huelsman for jewelry.

Ginny Hemmelgarn entered this weaving project in the show.

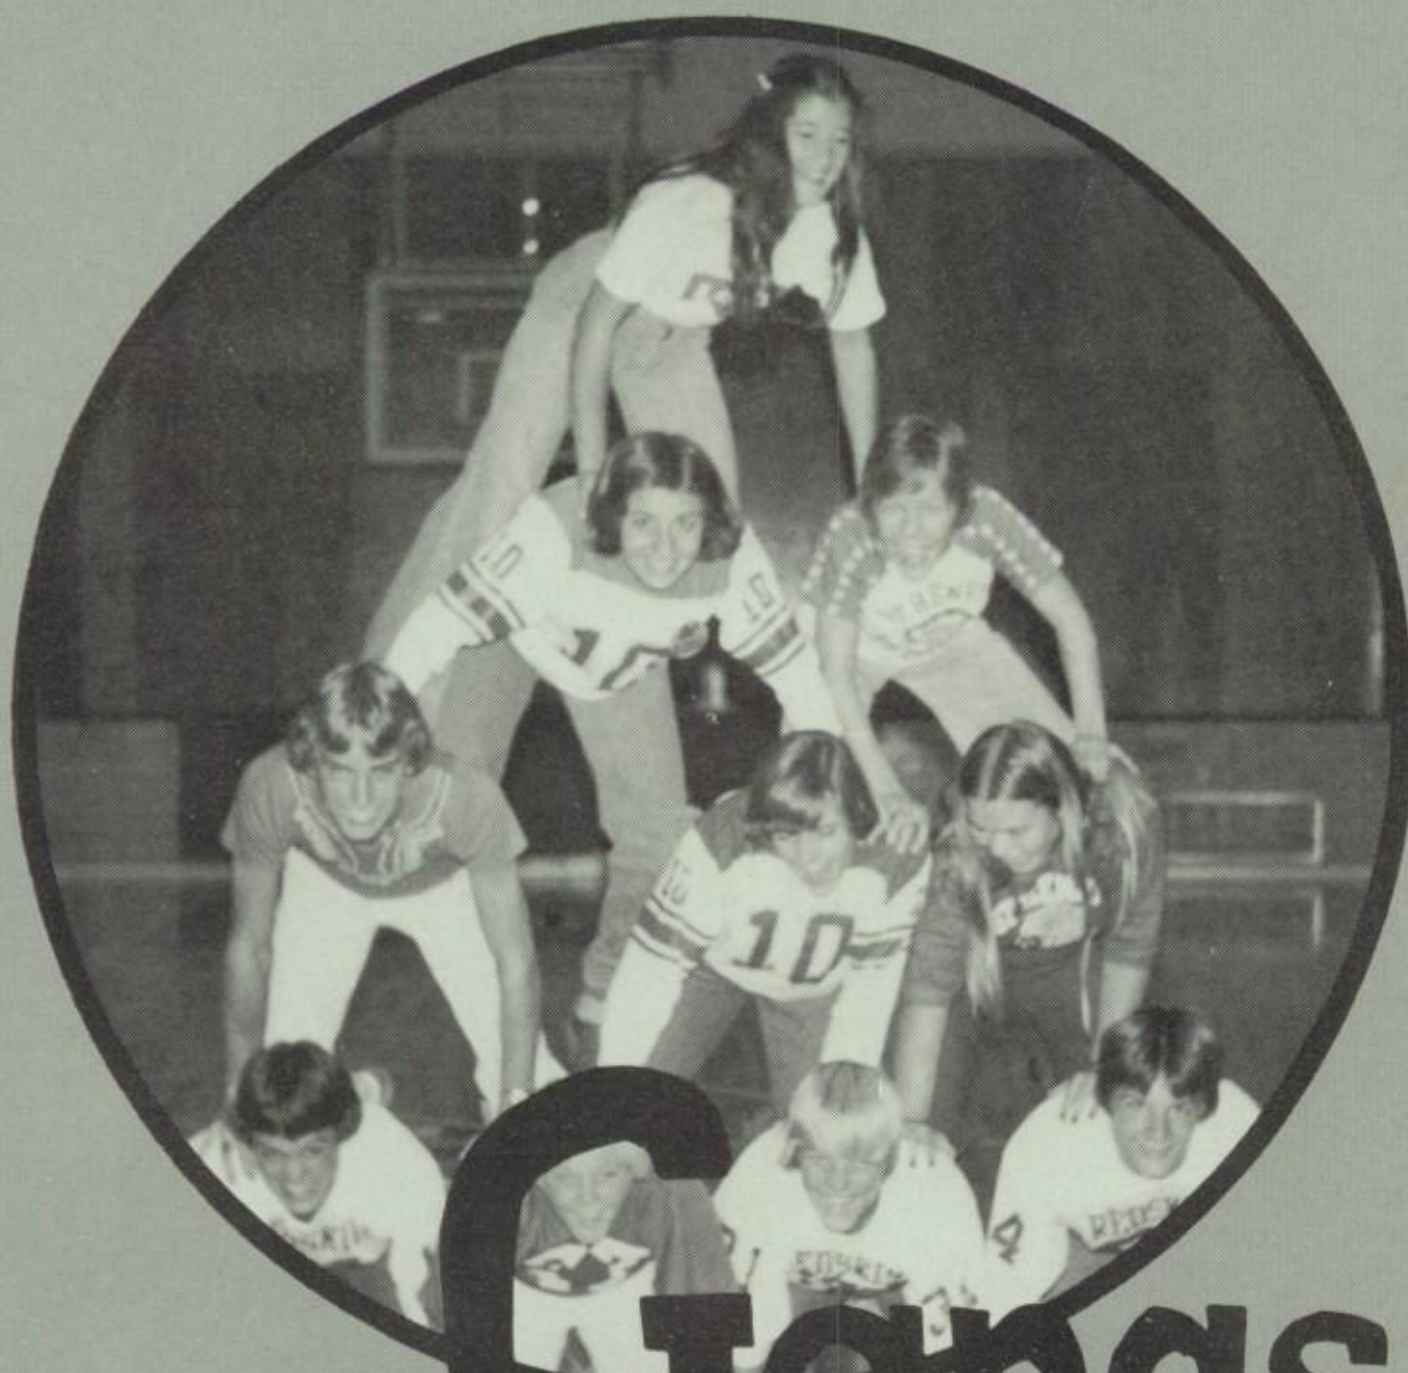

Another weaving project at the show was Mary Bensmans.

COLLEGE COMMUNITY ARTS FESTIVAL

Honorable Mention Winners - Marie Brandon, Ken Jutte, Linda Nietfeld, Kris Huelsman, Ginny Hemmelgarn, Mary Bensman.

Now, Donna, it's not all that bad selling programs at a basketball game! After all, Karin sold all hers.

The Varsity Club is a group whose main purpose is to promote spirit throughout the seasons.

One activity of the club is selling programs at football and basketball games. They also run the concessions at the football games. The money is used to help the various sports during their particular season. A certain amount of money is set aside by the club to be used to purchase items that cannot be purchased by the sport because of its budget.

This year a point system has been set up to keep the members involved in the Club's activities.

VARSITY CLUB OFFICERS

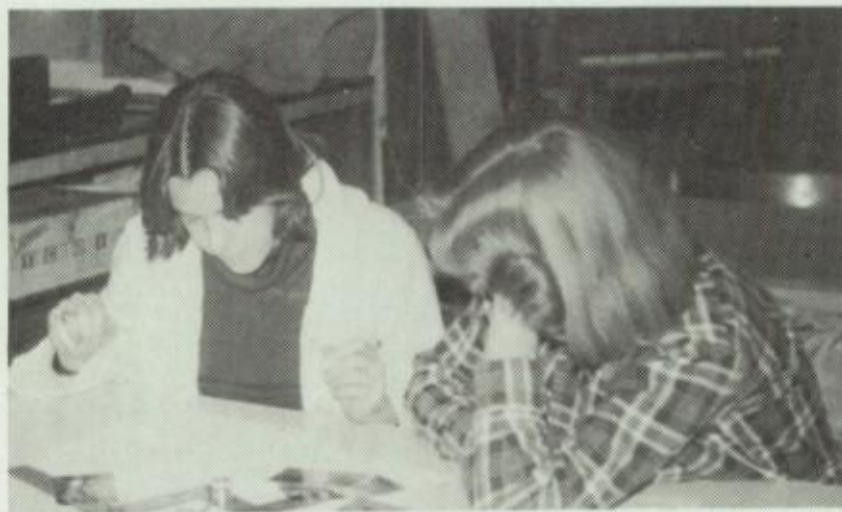

Jeff Burns, President; Donna Hoying, Secretary; Karin Lachey, Vice President; Mary Lou Bertke, Treasurer.

POW - WOW PEOPLE

This years yearbook staff put in long, exhausting hours to get the yearbook pages in before their deadline. The editors, Cheryl Brackman and Deb Hartings, helped all of the members get acquainted with their sections and the many duties involved with their job. Every Wednesday evening you could go to the Industrial Arts Room and see a handful of members working very determinedly to accomplish their finished dream--a finished yearbook page.

Finishing off the sports section are junior staff members Lisa Stahl and Donna Goettemoeller.

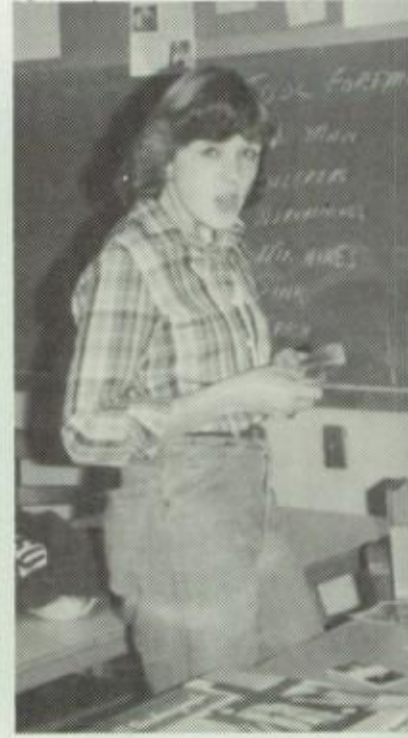

With a little help of a ruler, Karen Link and Bev Koesters work diligently on the underclassmen section.

One of the few boy members of the staff, Craig Guilbault worked hard to prove that girls aren't always the best at everything.

THE ARTISTICAL TOUCH

Senior Andy Tobin's favorite pasttime is working with his projects down in the artroom.

Working on her multi-colored rug is freshman student Teresa Droesch.

Painting, sculpturing, molding clay, rug making, drawing, photography, and many others are the talents that are displayed in the art room in the junior high building. The students work very hard on their different projects and devote their time to their talents as if it were their lifetime job...and for some this talent could lead to a good job and future. Art takes a lot of creativity, talent, and patience. (It's too bad we aren't all blessed with these qualities.)

Mary Bensman instructs Jr. High student Sheila Clements on the mastering of rug hooking.

Untangling the rug yarn for their project is Linda Neitfeld and Jr. High students Karen Hartings and Lisa Niekamp.

Andy Tobin, Martha Link, Linda Nietfeld, Mary Bensman, Darlene Staugler, Lori Lange, Marie Brandon, Ginie Hemmelgarn, Teresa Droesch, and Ray Litmer. Instructor, Mrs. Marilyn Huelsman.

The SHHS Redskin Review Staff each week contributes one page of school news to *The Chronicle*, a local paper. The purpose of the Redskin Review is to make public awards and accomplishments whether they are academic, athletic, or otherwise received by the students or faculty of the St. Henry Schools.

Several members of the Chronicle Staff discuss their articles for next week.

The Math-Sceince Club may or may not turn out a few Einsteins in the future, but they sure have a good time trying. Under the direction of Mr. Mahle, the club advisor, each member must perform an experiment for the other members as a club project.

The club members also observe other scientists and working men at their jobs during the annual field trips. The club has visited Wright Patterson Air Force Museum and WHIO TV Dayton during the past year.

So if the second Einstein does come from St. Henry High School, don't be surprised if he or she was a member of the Math-Sceince Club.

Judy Bible, Vice President; Carolyn Stammen, Treasurer; Kevin Schmitz, President; Kathy Bruns, Secretary. The officers are doing their job conducting the meeting.

Dan Dull is shown trying to blow up the school; unfortunately Mr. Mahle arrived just in time to stop him.

PROJECTS GALORE!!!

One of the required grades needed to pass Junior American Government is making a history project. The projects must be hand made models of something with a historical background. The juniors did a tremendous job with their projects this year, and they received many good grades to prove their efforts were well worthwhile.

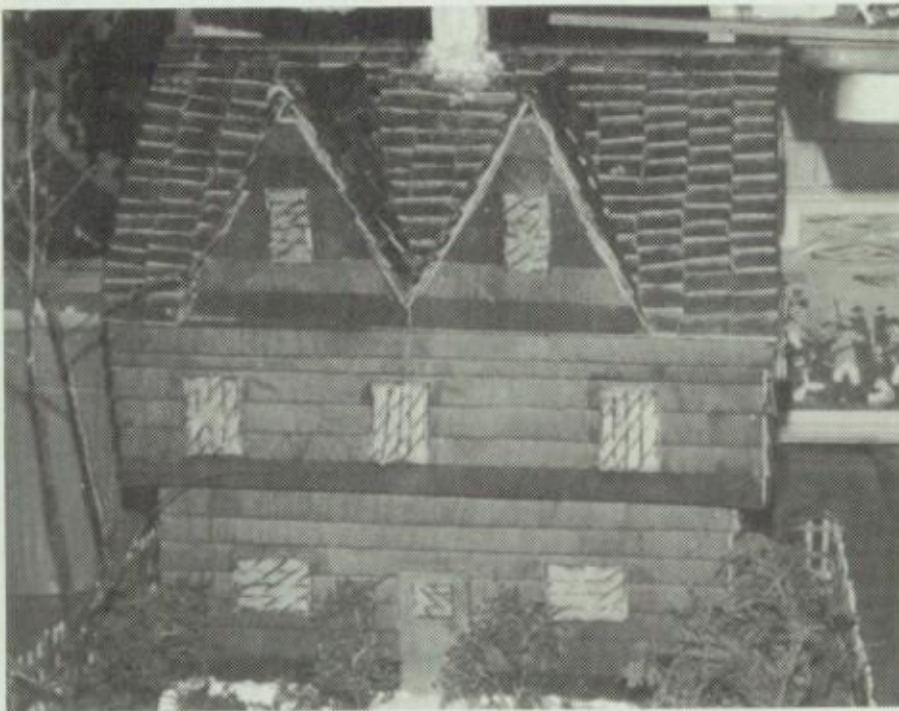

Mary Hemmelgarn and Sheila Stukenborg decided to make an Early Puritan House for their history project.

This big ship (The U.S.S. Constitution) was built by Dan Dull and Chris Langenkamp.

This mansion built by Tom Knapke is a model of Mount Vernon House.

MAKES IT HAPPEN

Cool, calm, collective, Tommy "D" Davis, keeps his swing together on every shot including this one from the No. four Tee at the Elks.

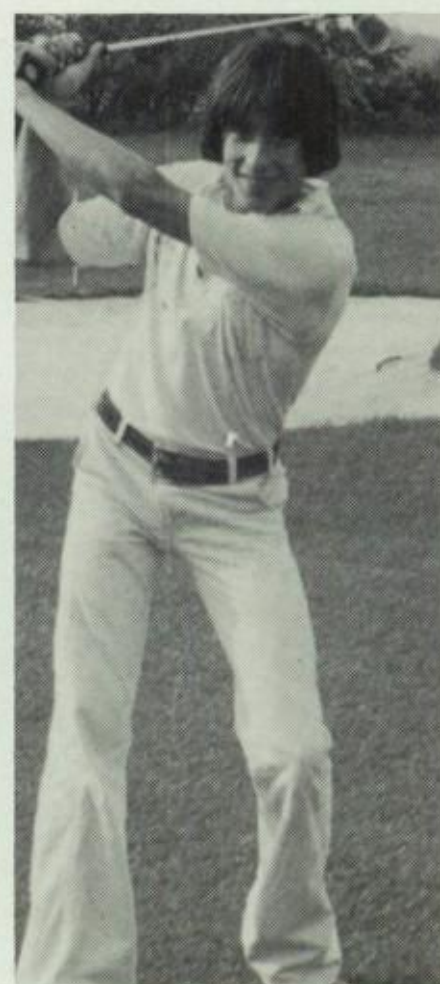

Doug Wehrkamp, shows the touch it takes to chip, successfully. Doug, a junior, combined his talent with his other teammates to capture fourth place in the state tourney.

In this picture is a caption of the best swing in the area. This swing of Doug's combined together with his great concentrative ability, places him fourth individually in the state tourney.

The 1977 Golf Team "Made It Happen" when they qualified for the Ohio High School Golf Tournament. The golfers accomplished one of the outstanding feats in St. Henry's great Sports History, by winning the thirteen team Sectional Tournament at Lima, the sixteen team District at Findlay and finishing fourth in the eight team State meet at Columbus.

The Redskins rolled over all opposition as they went undefeated through the entire regular season and three invitational tournaments. These fine young men have set a record that will be very difficult for future generations of Redskins to duplicate.

One of the essential fundamentals of a good swing is keeping your head down. Mark Miller displays a good example of this in the approach shot to the green. Mark usually played third man during the season, but when he was hot, he played more like Johnny Miller than Mark Miller.

Jim "Bob" Niekamp, another junior, possessed ability of a fine golfer this season by averaging forty six point seven per nine hole.

CROSS COUNTRY RUNS

TEAM MEMBERS: Mark Rinderle, Craig Guilbault, Co-Captain; Bill Gelhaus, Co-Captain; Mark Lefeld, Ron Gelhaus, Kevin Poling.

The 1977 Cross-Country Team proved to be the most successful team ever. With a record of forty eight - forty six.

A large amount of hard work was put in by the team members during the summer with Craig, Bill, Ron, and Mark finishing two marathons and Mark Lefeld finishing one. The hard work and many miles paid off as the team finished with their first winning record ever.

Other highlights of the season were finishing runnerup in the County Meet and runnerup in the MAC. All six runners earned Varsity Awards for their efforts. Bill and Craig received their fourth Varsity Award in Cross Country. The sport of Cross Country is only four years old at St. Henry and Bill and Craig have been through it all. Both boys ran over twelve thousand miles in their four year history of Cross Country. Their loss to the program next year will be hard to overcome. However, they have left a tradition of never giving up along with a winning record for 1977.

Coach Bertoline

Most improved player, Bill Gelhaus turns on the speed and heads for home at the Sectional Meet.

Redskin runners await the starting gun at Sectionals.

Stat girls, Sandy Schwieterman and Judy Bruggeman, helped out by keeping times and places for the team.

FIRST WINNING SEASON

Craig Cuilbault and Mark Rinderle pull away from an opposing runner.

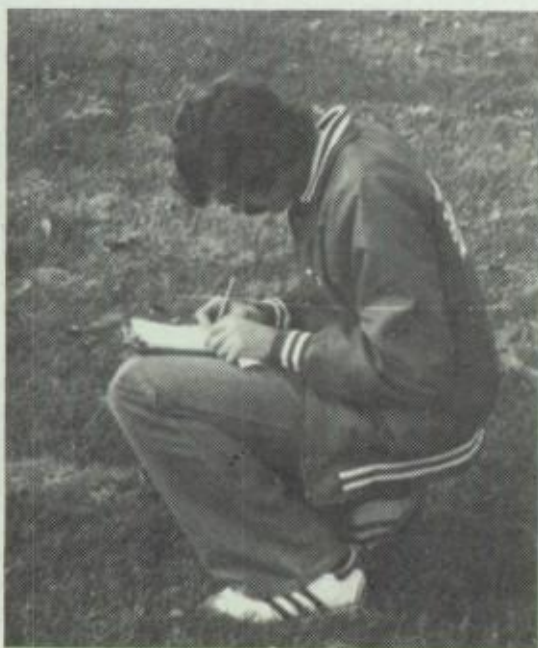

Senior Mark Lefeld shows the strain of a two and a half mile race.

Most Valuable Player, Ron Gelhaus, shows determination as he becomes the first St. Henry runner to qualify for District. Ron also made the all MAC team and set a school record with a time of 13:51.

The Gelhaus brothers catch their breath during one of Coach Bertoline's "killer" practices.

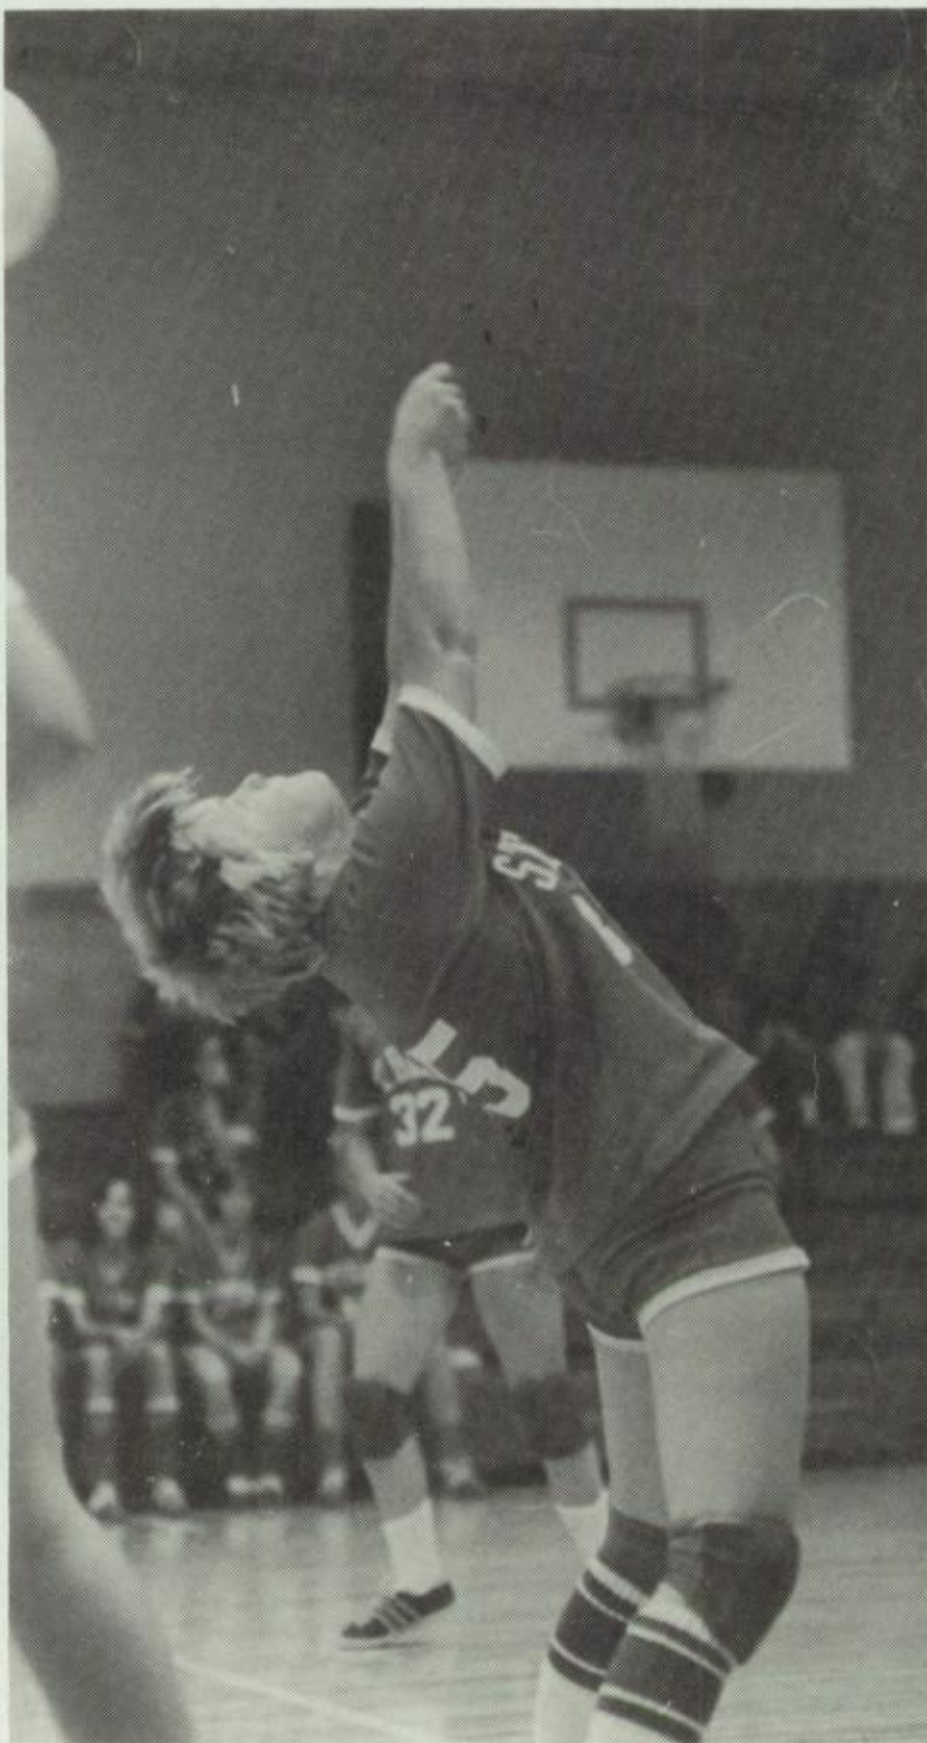

Coach Gary Bertoline put in hours of work, which led to a winning season.

V.B. SERVES A

The Volleyball team finished with the best record yet: seven to zero league record and a thirteen to one record for the season. The girls had many accomplishments this season. The most memorable was defeating Minster in the final game of the season, which stripped Minster of the M.A.C. Crown.

Mary Lou Bertke, the only senior, was a great asset to the team. Not only did she receive a M.A.C. All Star award, but she was voted Most Valuable Player by her teammates. The returning letterman will have to work extra hard to fill in the gap left by her.

The J.V.'s finished the season with a convincing eleven three record.

Shown on the left is Lori Schwieterman doing a backwards dig. Lori, who was voted M.A.C. All Star, added explosive talents to the Redskin team.

Linesmen and statisticians added very much to the teams success this year. The team appreciates this very much. Thank-you.

Due to the voices of the sportsminded girls in the school, a girls basketball team was developed this year. After it had been O.K.'ed by the school board the girls team was all ready to go. Except for one thing...basketball season was ready to start and still there was no coach. Could it be that after all the girls had done to get a team started they could find no coach? But like an angel from heaven, Mr. Dippold came and took charge and made it a very successful year for the girls. They beat some very competitive teams in their first year of action, and they deserve much recognition. Below are some of the team members while handling the ball--Linda Evers, Paula Frilling, Brenda Langenkamp, and Sharon Will.

GRIDDERS END A FINE

1977-78 proved to be the second fine football season in a row for the Redskins. The season was successful mainly due to the fine play of an outstanding senior class. Having been the mainstays of the team for the two previous years, many of these individuals came into their own and thus capped a two year eighteen - two record. Defense was the name of the game as five shutouts were recorded. Congratulations for a great year!

One of the many jobs senior Tim Niekamp had was doing the place-kicking for the Redskins. Junior Gary Will also helped out with the kicking as he held the ball for Tim each game.

All football teams have different ways of "getting psyched" before a big game.

SEASON FOR SENIORS

Craig Guilbault had many tasks for the Redskins team such as pitching, playing outfield, or playing second base.

Playing second or third base, Tom Davis contributes much to the team.

This year the Redskin baseball team had a very fine season, being Sectional and District Champs. The team ended this super season as Regional Runners-up. St. Henry was fortunate enough to have five players on the MAC All Star team. They were Larry Langenkamp, Tom Davis, Ken Post, Greg Puthoff, and Tim Niekamp. Jeff Bruns received Honorable Mention. Congratulations.

Being catcher is one of the toughest positions on a team to fill and Jeff Bruns fills it well.

Being the "big" man on the team, Greg Puthoff has the job of playing first base.

Shortstop, Larry Langenkamp, played not only great defense, but great offense as well.

CO - CAPTAINS

Ken Post shows great ability and leadership playing center field.

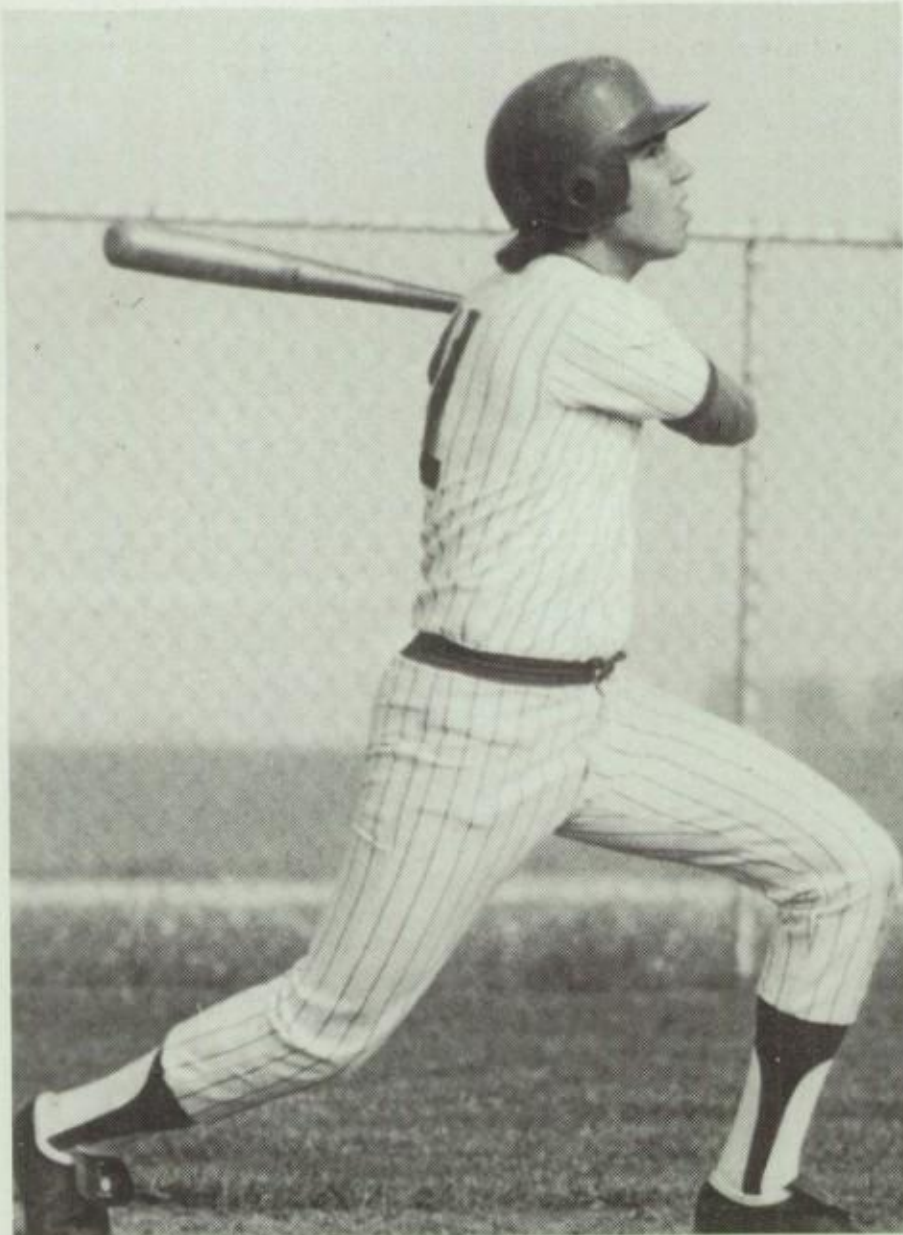

Being one of the Redskins "ace" pitchers, Tim Niekamp contributes much to the team.

REDSKINS KEEP ON ROLLING

Senior, Craig Guilbault swiftly makes the tag for an out during the Regional finals.

Tom Davis looks on in awe as the ball flies through the air.

Co-Captain, Tim Niekamp, shows great form as he fires the ball over home plate.

AWARD WINNERS: Donna Hoying, Best Field Events; Ruth Brunswick, Most Valuable Player; Mary Lou Bertke, Best Runner.

AWARD WINNERS: Dave Kanney, Best Field Events; Doug Cahill, Best Runner and Most Valuable Player.

FOUR YEAR LETTERMAN: Dave Kanney and Kevin Schmitz receive four year letterman plaques.

SECOND ROW: Tim Brophy, Gary Will, Dave Kanney, Dave Huwer, Jim Niekamp, Ron Gelhaus, Ted Siering, Jerry Lefeld, and Tim Braun. BACK ROW: Coach Gary Bertoline and Coach Denny Howell.

Dave Kanney contributed fine efforts to the team in the shot put area. Dave placed eighth at the State Tournament.

Tim Brophy showed his talents by going to Districts in the hundred yard dash and ran third leg on the 880 yard relay team. He also participated in the 220 yard dash.

Jerry Lefeld was one of the "animals" of the team. He participated in the 880 yard run, mile run, and two mile run.

Most Valuable Player, Doug Cahill, ended his year by going to Districts in the hundred yard dash and the 880 yard relay team. Doug also ran the 440 during the season.

Another "animal" on the team was Kevin Schmitz. He participated in the 880 yard run, the mile run, and the two mile run.

St. Henry has one of the smallest teams in this area, but yet they are all excellent trackstars. Having only sixteen players on the team each player must participate in at least three events each meet. The Redskin team had a terrific season this year.

Some of the highlights of the season were the MAC meet, the Toledo Blade Relays, and the Marion Spectacular. Good job guys!

A SUPER SEASON

Ron Gelhaus shows fantastic form as he pole vaults at the Sectional Track Meet.

Junior, Jim Niekamp, flies across the hurdles at a country track meet.

Doug Cahill races across the finish line in first place.

Dave Kanney uses everything he's got to throw the shot at the State Track Meet. Dave finished in eighth place.

FOURTH ROW: Mary Lou Bertke, Sybille Hagenbauch, Donna Hoying, Lori Langenkamp, Elaine Schwieterman, Patti Schulze.

The girls' track team ended their season with a 24-11 overall record. The girls have a lot to be proud of this year. They broke five school records and set one new record in a new event. We had six events qualify at Sectional to go to District. We had one girl qualify from District to go to State; Ruth Brunswick; she qualified in the long jump with her best jump of the year, 16'6 $\frac{3}{4}$ ". Ruth is only a freshman and did a fantastic job for the team by scoring more points than anyone else on the team--84 $\frac{1}{2}$ points. Ruth received Most Valuable Player, which was voted on by the team. Best Runner went to Mary Lou Bertke. Best Field Event went to Donna Hoying. Good Job Girls!

OUT FRONT: Freshman, Lisa Wehrkamp, is way ahead of the other runners as she gets ready for the hand off.

Waiting for the return of the ball from the backboard are Jerry Lefeld and Mr. Bertoline.

Cheerleaders Elaine, Deb, Diane, Therese, and Madonna are all pooped out as they say it.

SENIOR - FACULTY GAME - -

The annual senior faculty game was held again this year by the student council. The senior team took control this year and won the game by the largest margin any senior team has ever won by. Senior girls posed as cheerleaders for a night, cheering their teams on. A big crowd was on hand, and most of the students enjoyed seeing their teachers sweat it out.

Cheerleaders for both the senior and the faculty teams get together to form their famous giant pyramid.

The cheerleaders must have gotten into the wrong locker rooms when they went to put on their socks and shoes. And it looks as though they were colorblind too!

Struggling for the ball for the senior team is our one and only boys gym teacher Mr. P.

Avco New Idea Where the whole idea means better performance.

To keep pace with ever-increasing world agriculture demands, there is one overriding need . . . the development of farm equipment offering better performance, allowing greater productivity per acre for the farmer.

At Avco New Idea, our *whole idea* is just exactly that: To manufacture farm equipment that performs better, so farmers can perform more efficiently.

Many of our employees come to us with first-hand farm experience — many, in fact, *are* farmers — so our products reflect the better performance we know is essential for profitable farming. This dedication to performance extends to our service people, our parts people, our sales people — all of us here at Avco New Idea.

And our expert dealer organization assures that farmers get the greatest value from their farm machinery dollars.
